

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

MATHLETICS 2023

Cambridge Gardens Public School participates in Mathletics. It is an online mathematics program that works at each student's level and is directed by the teacher. The program is integrated into our teaching and learning programs and is a core part of our homework program across the school.

This year, the cost of Mathletics will be \$20. The program allows students to access their account from anywhere and use different devices including tablets/iPads etc.

At our K-2 & 3-6 assemblies we hand out the Gold Awards that your child achieves.

1000 points in a week = Bronze Certificate

5 Bronze Certificates = Silver Certificate

4 Silver Certificates = Gold Certificate

Maximum of one Certificate per week.

At our assemblies there will also be a class trophy for the best class of that week.

Helpful Hints for Home

- Take an active role in your child's mathematics progress.
- Encourage your child to use Mathletics 3 to 5 times a week.
- Encourage a balance between the Full Curriculum section and Live Mathletics.
- Take time to work together with your child. The Support Centre in each activity will help show how to solve a particular problem.
- Encourage your child to do activities that challenge, rather than those he/she finds easy.
- If the course is too difficult or too easy, then change to a more appropriate course.
- Celebrate your child's success.

Mr Jeremy Dearie
Mathletics Coordinator

Mr Adam Wynn
Principal
